## TERMS AND INFORMATION

---

All plants will be packed with the utmost care and we guarantee them to reach customers in good condition. Any failing to do so will be replaced providing package has not been opened enroute. Please order early as supply is very limited in some items but will ship as long as stock lasts at prices quoted. We will not substitute unless asked to do so. Prices are net. Postage will be paid on orders amounting to \$3.00 or over for less amounts please allow 10c. per plant extra for postage. Cash with order please.

MRS. NEVA C. BELEW, HARMON, OKLA.

## CACTI

---

ANHALONIUM FISSURRATUM---(Living Rock)  
A wonderful rare plant resembling a carved rock, has no spines, Pink flowers. Only a few to offer at \$1.00 each.

ECHINOCEREUS PECTINATA---Many short fine spines, large pink flower. 50c.

ECHINOCEREUS BAILEYI---This cactus comes from the Wichita Mountains and I believe we are the only ones listing it. Cylindric plants, many ribs covered with short spines, purple flowers. As its home is in the mountains it should be comparatively hardy and will stand more moisture than some but must have good drainage. 75c.

ECHINOCACTUS LE CONTI---Large cylindric-stemmed cactus, numerous rigid pink spines strongly hooked. yellow flowers. \$1.00

ECHINOCEREUS ENGELMANNI---Cylindric many ribbed plant, covered with long stout spines of mixed colors. Yellow flowers. 75c.

MAMILLARIA MONTANA---Small short-cylindric plants, chestnut spines, pink flowers. 30c.

MAMILLARIA DECIPIENS---Much like M. montana in shape, grey spines, tan flowers and red fruit during the winter and spring. 30c.

OPUNTIA VULGARIS---Green flat joints, large yellow flowers centers sometimes red. 25c.

OPUNTIA BASILARIS---Spineless Tuna---Low spreading, branching freely above. Joints flat smooth without large spines, but with close tufts of minute bristles, Flowers large brilliant rose-pink. 50c.

OPUNTIA ERINACEA---Grizzly Bear---Erect plants, joints flat thickly set with fine 3 to 5 inch flexible spines. Large pink flowers or yellow flowers state color. 50c.

OPUNTIA OPUNTIA---Bright green flat joints without large spines. Yellow flowers. 40c,

OPUNTIA LEPTOCAULIS---Small cylindric joints, straw-colored flowers and red fruit. 40c.

## HARDY GARDEN PERENNIALS

---

IRIS, Dwarf---Blue flowers appearing close to the ground in early spring, nice for walks, edging beds etc. 25c. \$2.00 per dozen.

IRIS, Dwarf---White flowers 6 inches high. 25c. \$2.00 per dozen.

IRIS, dwarf---Yellow. 25c each.

IRIS---40 varieties of bearded Iris my selection. 25c. No two alike not labeled. \$2.00 per dozen.

LILIUM ELEGANS---The hardiest of lillies and grow well in dry soil. 25c.

SEDUM SPECTABILE---Large heads of showy flowers. 25c.

TULIPS DARWIN---Mixed 60c. per dozen.

ROSES---Old fashioned June roses, white, red, pink and yellow. 25c. \$2.00 per dozen.
